

Each student is requested to bring \$10 for miscellaneous supplies. This money may be paid on registration day at your child's school or as soon after that date as possible. (Please do not send the money prior to registration for next school year.) Check the district's website (www.lssd.org) or your child's school website for a list of supplies for your child's grade. Supply lists are also available at the school and often at local stores.
